ISSUE

# ALL AGLOW

Light fixtures can often be pared back or minimalist, but the latest designs—like the sconces on this page—balance graceful forms with fresh finishes and colorways. Here, we share our favorite recent releases. Get ready to go for the bold. —Helena Madden

### Crowning Glory

Time to cast some light on the subject! The newest pendants and chandeliers do more than just illuminate a foyer or salon: Sculptural, elegant pieces also add a welcome dose of statement-making style to your home. Snap up any of these glamorous options for a truly electric design scheme. —H.M.
